

Write-On™ Label Tape Dispensers

Mix Tape Colors and Widths to Meet Your Individual Labeling Needs

The Write-On™ tape dispensers make labeling easy and fast. Multiple colors and widths of labeling tape are readily positioned on a platform that provides a smooth surface for writing on each tape. When a tape is advanced and cut off on the serrated edge, a fresh length of label tape is positioned on the writing platform.

A variety of labeling tape widths from 12 - 25mm (½ - 1") can be mixed together on the spindles which can easily accommodate 5 or more narrow rolls 12 - 19mm (½ - ¾") or 4 wider rolls 25mm (1"). The spindles are easily removed from the unit for loading and unloading tape and can be adjusted to hold either 25 or 75mm (1 or 3") core diameter rolls. Included with each dispenser are three plastic separating discs, which when placed between the rolls assure smooth, snag free dispensing for up to four rolls of tape. Additional separating discs can be purchased if more than four rolls of tape are to be used. Molded-in pen holder wells on the dispenser help to keep writing instruments handy. Ideal for use with the full line of Scienceware® F13463 series Write-On™ Tapes which are available in 6 colors and three widths, 12, 19, and 25mm (½, ¾ and 1").

Two models are available:

- A. The Write-On™ Benchtop Tape Dispenser has a plastic coated, weighted steel base with rubber feet to prevent slipping on the benchtop when pulling the labeling tape. The serrated cutting edge is steel for long term use. Includes one free roll of ½", white Write-On™ Labeling Tape – a \$7.25 value!
- B. The Economy Write-On™ Tape Dispenser is designed for lighter duty use as the plastic cutting edge is molded into the housing. There are a series of mounting holes in the unit for secure attachment with screws (not supplied) to the benchtop. For a space saving alternative, this dispenser can also be attached to many vertical surfaces. Includes one free roll of ½" white Write-On™ Labeling Tape – a \$7.25 value !

CATALOG NO.	DESCRIPTION	DIMENSION	PRICE/EACH
F13472-0000	Benchtop Model	302 x 143 x 121 mm H (12 x 5½ x 4¾" H)	\$79.00
F13473-0000	Economy Model	302 x 143 x 106 mm H (12 x 5½ x 4¾" H)	24.50

Accessories

Wall Mount Foot for Economy Write-On™ Multi-Roll Tape Dispenser

The dispenser can also be wall mounted vertically or horizontally with the platform positioned to the left or right per user preference. To facilitate writing on the platform, the mounted dispenser can be equipped with an optional U-shaped stainless steel foot accessory that presents the dispenser at a 45° angle off of the wall.

CATALOG NO.	DESCRIPTION	DIMENSION	PRICE/EACH
F13473-0001	Wall Mount Foot	100 x 125 mm H (4 x 5" H)	\$4.95

Write-On™ Multi-Roll Tape Dispenser, Separating Discs

To improve the function of the dispensers when loaded with more than four rolls of labeling tape, we recommend the use of additional separating discs. **3 per bag.**

Write-On™ Label Tape Dispenser

Make Your Own Stick-On Labels

A convenient dispenser that holds and releases tape cut to your specification. Tape rolls having a maximum diameter up to 133mm (5½") are acceptable and the 7.6cm (3") core fits standard tape rolls up to 25mm (1") wide. A practical writing platform is designed to accommodate both left and right handed users for labeling tape prior to dispensing. The epoxy-coated steel platform has finger holes for releasing the tape with a cut off edge for one hand use. A weighted base with non-skid pads prevents sliding or lifting. The base is 213 x 87 x 95mm H (8½ x 3½ x 3¾") with a 102 x 152mm (4 x 6") platform. Shipping weight 1.8kg (4lb). The dispenser accepts Scienceware® F13463 series tapes in both 40 yard and 60 yard rolls. Tape not included.

Write-On™ Label Tapes

Color Code with 6 Vivid Colors
Easy as 1-2-3...Write on It...
Cut It off...Stick It on!

Write-On™ Label Tape adheres to any clean surface, including Teflon® fluoropolymer resin coated materials, and peels off without leaving a sticky residue. Pencil, ball-point pen or solvent ink marker remain legible under the most demanding laboratory conditions. The tape consists of colored Kraft paper with rubber resin adhesive that resists moisture and most solvents. The tape will withstand a maximum temperature of 257°C (492°F) for 30 minutes or 80°C (176°F) for 24 hours and can be used down to -73°C (-68°F). All rolls fit on standard 76mm (3") cores. Excellent for use with Scienceware® Write-On™ Label Tape Dispensers. **Per each, 24 rolls per case.**
