Thermostatically Controlled Cabinets and Laboratory Refrigerators			
<p>Ensuring our products make it to their destination without damage is important to us. Tintometer Inc. REQUIRES that all Thermostatically Controlled Incubators (TC Series), as well as our Spark-Free Cabinets (EX Series) be shipped in a specialized shipping crate. These crates will ensure that the product is properly packaged and protected while being transported. In addition, Tintometer Inc. strongly recommends that all shipments for TC Series Incubators and EX Series cabinets be insured for the cost of the product. Tintometer Inc. will not assume any responsibility for any damage to the product that occurs during shipment after departing our Sarasota, FL, facility.</p>
