Multiparameter Instruments for pH, EC, TDS and Temperature!

HI 991300 Waterproof 4-in-1 Multiparameter Meter

- Temperature/TDS/Temperature, ±2% F.S.
- EC/TDS/Temperature, ±2% F.S.
- pH/TDS/Temperature, ±0.05 pH
- TDS, 0.00 to 1999 ppm
- EC, 0.00 to 20.00 mS/cm
- pH, 0.0 to 14.0
- Temp., 32.0 to 140.0°F or 0.0 to 60.0°C

HI 9813 Portable PH/EC/TDS Meter

- pH, ±1.0 pH or ±0.5 pH
- TDS, 0.00 to 2000 ppm
- Temp., ±1°F or ±0.5°C

HI 99130 GRO'CHEK Combo 2 Meters in 1 with Large LCD

- pH, ±0.05 pH
- EC, ±0.2 mS/cm
- Temp., ±1°F or ±0.5°C

HI 1285 pH/EC/TDS/Meter

- pH, ±0.05 pH
- EC, ±0.2 mS/cm
- Temp., ±1°F or ±0.5°C

HI 98129 Multiparameter Waterproof Meter

- pH, ±0.05 pH
- EC, ±0.2 mS/cm
- Temp., ±1°F or ±0.5°C

HI 98130 Multiparameter Waterproof Meter

- pH, ±0.05 pH
- EC, ±0.2 mS/cm
- Temp., ±1°F or ±0.5°C

HI 99140 Meters

- pH, ±0.05 pH
- EC, ±0.2 mS/cm
- Temp., ±1°F or ±0.5°C

Hanna Instruments has been providing the Hydroponics industry with the highest quality scientific products for over a decade. Once again, Hanna is proud to introduce NEW products to the market, the result of our valuable customers feedback. Hanna products are sold throughout a fine network of distributors across the country, so when you need a scientific product for your hydroponics needs, simply visit your local hydroponics store and ask for a Hanna instrument. Once again, thank you for your continuous support!

For more information or to find a dealer near you call Hanna Instruments Agricultural Division at 877.694.2562 www.hannaint.com

Hanna Instruments Agricultural Division
The Widest Selection of pH, EC and TDS Meters Available in the Market Today!

**pHeo® 4 & pHeo® 5 Waterproof pH & Temperature Testers**

The new GRO'CHEK from Hanna has been upgraded with a larger, easy-to-read digital display, a new three-line menu for faster operation after accidental exposure to water. The professional pH electrode gives you accurate results every time.

**GRO'CHEK pH Stick Tester with Heavy Duty Probe**

The professional pH electrode gives you accurate results even after accidental exposure to water. These testers are beyond your expectations!

**GRO'CHEK pH Monitor with Large LCD**

GRO'CHEK pH Meters are now available with an additional menu for any liquid nutrient feeding is used. The rugged sensor was designed by cutting-edge technology that floats, adjustable TDS and temperature in °C and °F, battery level indicator, water proofing, and rugged housing.

**DST® 5 & DST® 6 Waterproof EC/TDS/Temperature Testers**

These testers also feature automatic calibration, automatic shut-off and automatic calibration. These testers are beyond your expectations!

**HI 71409 & HI 71410 EC and TDS Stick Testers**

These testers are beyond your expectations!
